

QUICK GUIDE FOR THE ECO-FRIENDLY

PARTICIPANT

POWERED BY

1. CARPOOL TO TREMBLANT

- Travel with your teammates or use Amigo Express.
- Enjoy preferential parking for carpools and charging stations if you have an electrical car. Everyone benefits!

2. HELP US PLANT NEW TREES!

- Calculate your mileage to and from the 24h site and Evolugen will offset the emissions by planting trees.
- Participate by entering your mileage [HERE](#).*

3. REDUCE YOUR TRAVEL DURING THE WEEKEND

- Sleep in the heart of the festivities, in the pedestrian village.
- Use the shuttles running regularly to and from the surrounding accommodation sites and to the casino throughout the 24h.

4. AVOID SINGLE-USE BOTTLES

- Bring your water bottle. Refill stations will be available in the transition zones and on the 24h site.

5. PREPARE YOUR ZERO-WASTE SURVIVAL KIT

- Bring your reusable cup and a set of reusable utensils to the site and use it whenever possible over the weekend.
- Prioritize homemade and zero waste lunches.

6. GIVE YOUR EVENT BIB AND TIMING CHIP A SECOND LIFE

- Bring it back to us; we will collect them to use them next year.

7. MANAGE WASTE WISELY

- Use the waste sorting centre.
- Recycle your cans in the CONSIGACTION bins during events.

Friendly reminder: the best waste is the one that is never created!

8. HELP US AVOID FOOD WASTE

- Reserve your spot for the participant breakfast. We are committed to donating surpluses to La Samaritaine.

* Evolugen is committed to offsetting up 80 tons of CO₂
