Montréal, Québec, March 6, 2024 – Last night, at the emblematic Montréal en Lumière event, the 24h Tremblant celebrated with its community by unveiling the significant amounts of the first disbursement to its three major Montréal beneficiaries: **\$2,280,146** went to the **Fondation Charles-Bruneau**, the 24h's main beneficiary, while **\$1,687,308** will be shared between the **CHU Sainte-Justine Foundation** and **The Montreal Children's Hospital Foundation**. These sums, which will contribute directly to improving the care, leading-edge research and well-being of sick children, reflect the positive and tangible impact of the event on the lives of many children and families across the province.

The 24h Tremblant brought together sponsored children, beneficiary foundations, ambassadors and participants on the Montréal en Lumière skating path. This unique experience was an opportunity to acknowledge and celebrate the tangible impact of the event, which reaches a wide audience in the Greater Montreal region. In the next few weeks, partial donations will also be presented to the other two beneficiary foundations in their respective regions.

The 24h Tremblant also took the opportunity to announce the opening of registration for the 2024 edition. Participants can now register to join the cause and take part in the event. The opening of registration was eagerly awaited, with over 100 teams already registered for the 500 places available.

About the 24h Tremblant

At its last edition, the 24h Tremblant raised a record \$6,755,987. The 24h Tremblant is a relay sporting challenge featuring a diverse and festive programming, but above all it is among the most important charity events in Quebec. Since its inception in 2001, the 24h has raised over \$50,000,000 for various organizations working for the well-being of children. The 24h actively contributes to children's causes by supporting the following five foundations: Fondation Charles-Bruneau, CHU Sainte-Justine Foundation, The Montreal Children's Hospital Foundation, CHEO Foundation and Fondation Tremblant.

Every year, the event attracts more than 30,000 people who come to enjoy the festivities, as well as 4,500 participants and 500 teams who ski, run or walk for 24 hours thanks to the commitment of 350 volunteers. The 24th edition of the 24h Tremblant will run from December 13 to 15, 2024.
